

**UNITED STATES BANKRUPTCY COURT NORTHERN DISTRICT OF GEORGIA**

**CASSANDRA JOHNSON-LANDRY** Filed in U.S. Bankruptcy Court  
DEBTOR Atlanta, Georgia

**CASE No: 18-55697LRC**

**CHAPTER 7**

**SEP - 3 2021**

By: *Regina Thomas*  
Deputy Clerk

**SUBMISSION: ADDENDUM UPDATES ADDRESSES**

Debtor, Cassandra Johnson-Landry previously submitted UPDATED address for Creditors listed. Please note Debtor submitted UPDATED address for parties previously, as stated. (Exhibit A). It appears the sole purpose <sup>of</sup> requested action is as follow:

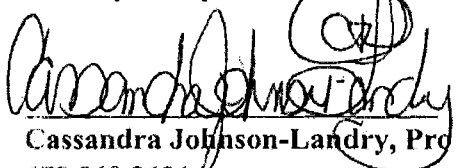

1. Obtain opposition for DISCHARGIBILITY pertaining to COMPROMISED COMMERCIAL PROPERTY which Debtor's information was utilized to obtained SBA loans for property which was never purchased. Debtor, Cassandra Johnson-Landry previous business partner UNBEKNOWNST to Debtor signed a lease not for one of the commercial properties but, also for the second property which was paid in cash 310k. Debtor, uncovered the transaction after previous business partner left the agency. It appears the money was transferred to a hidden account debtor has no knowledge of. As of today, the SBA has not contacted DEBTOR, Cassandra Johnson-Landry regarding any level of investigation pertaining to this matter. Both commercial buildings were stolen and SUPPOSELY SOLD by the Chapter 7 Trustee prior to any level of investigation as requested by the Debtor. Not to mention the paying of Condo Association dues, property taxes and more for a leased building?
2. Dissolving Alliance for Change Through Treatment LLC, would also eliminate all issues surrounding the 30 Million Dollar Lawsuit, which was never filed, but was paid by the agency to the representing attorney. This Lawsuit refers to the Hearing against the Department of Community Health. Portions of the hearing transcripts were modified/deleted to rule against Alliance for Change through Treatment. Removing the corporation status would eliminate ALL ILLEGAL actions which, took place by others and unbeknownst to Debtor, Cassandra Johnson-Landry until Debtor began investigation and filing required reports to all appropriate federal agencies and to the BRC which never investigated. This would eliminate all key players connected to the illegal money intake.
3. Given opposition to dischargibility is normally related to monetary issue, there appears to be a hidden agenda to force Debtor's agency ALLIANCE FOR CHANGE THROUGH TREATMENT LLC into Bankruptcy.

4. Updating the address for Lazega and Johanson which is the HOA attorney for 1440 Highland Lake Drive, Lawrenceville Georgia 30045 which provide an opportunity for opposition to Dischargibility as well. Given there is excessive Fraud on 1440 Highland Lake Drive, Lawrenceville Ga 30045, Debtor paid all related HOA dues previous and current for compliance purposes.

The phrase "LACK OF STANDING" continues to be utilized as an outlet to justify wrong doings of others. Debtor DOES have a Lack of Standing within the US BRC of Northern Georgia. Given Debtor, information was utilized by others to obtain SBA loans and more which makes the Debtor the Guarantor for "Alliance for Change through Treatment LLC" as it pertains to the bldgs. F and H located at Habersham Office Park Tucker Ga, 30048. Alliance for Change through Treatment LLC is a commercial and separate entity, LIMITED LIABILITY COMPANY NOT CORPORATION which, explains the above points.

In conclusion, as it relates to the monetary status/definition of "LACK OF STANDING", the US BRC continues to control the ability to create and define its meaning. Secured assets, which are a part of a Debtor's estate are ILLEGALLY taken, the financial worth of the Debtor decreases. Of course, according to the BRC financial definition there is NO LACK OF STANDING, this should have no bearing, especially when the debts are not those of the Debtor's. However, for each document illegally created and or signed causing a Debtor to LACK STANDING, there are also original legal documents which, not only defines the Debtors "STANDING" or causation for restoring "STANDING" but, serves as evidence of illegal and unethical behavior by others as it relates to this meaning.
